

CARROLL LUTHERAN COVID-19 INFORMATION AND VISITATION POLICIES - RESIDENT

Independent Living Structured Outdoor Visits

Visitors must be screened at the 300 Lobby screening station prior to each visit; both visitors and residents must remain masked and at least 6 feet apart. No more than 6 visitors at a time are permitted. Visitors may use the 300 Lobby restrooms, while following all protocols.

Indoor Visitors are Still NOT Allowed in Independent Living

A reminder that no visitors are allowed indoors except for essential and end-of-life visits. These must be pre-approved and put on an essential visitor list. These visitors must be screened prior to entering the community and follow all COVID-19 protocols.

Please contact Social Work if you receive care in your home that is essential. This will allow your caregiver to be on a list and given access directly after screening.

Indoor Resident Only Visits

Residents **ONLY** may visit with each other in each other's apartments and in common areas inside the community, if they adhere to all COVID-19 protocols, including:

- Following physical distancing guidelines

- Wearing a facemask at all times

- Following proper handwashing and sanitizing procedures

Adhering to these guidelines is critical. Visitation inside each other's apartments or houses is not allowed at this time.

Structured Window Visits

Scheduled structured window visits continue. Everyone must be spaced 6 feet apart and wearing masks. *We are not able to offer structured window visits for residents who are currently on Isolation Precaution for any reason.*

COVID-19 Testing

Anyone who is tested for COVID-19 should notify Allison Herman, Care Coordinator, when they are tested and again when they receive their results: 443-605-1033. If you do not feel well or experience any of the following symptoms: vomiting, diarrhea, chills, muscle pain, headache, sore throat, new loss of taste or smell, fever, cough or shortness of breath, contact your primary physician and **Allison Herman, Care Coordinator, 443-605-1033.**

Please note: as non-emergent surgeries and procedures are starting back up; many places are requiring a negative coronavirus test before performing the procedure. With the new mandatory weekly testing of all nursing home and assisted living personnel, the turnaround times for labs has grown to as much as 10 days. Please allow for plenty of time to get your test results if you have a procedure scheduled.

Subscribe to Weekly Updates

Anyone can subscribe to CLV's weekly updates by visiting www.clvillage.org and clicking on the "Subscribe" button at the top of the homepage. A printed version of these letters is also placed in your mailboxes and mailed to family members.
