

## MEMORANDUM

---

TO: All Residential Living Residents

FROM: Ken Connelly, Vice President of Operations  
Ann McDermott, Associate Executive Director

DATE: June 20, 2022

SUBJECT: Updates

Dear Independent Living Residents,

We have started the search for a new executive director. We understand how important this role is to the community, so we are working with a professional search firm to provide us with direction and qualified candidates as soon as possible. The Resident Association Council president and vice president have been asked to participate in candidate interviews.

Updates will be provided as we move through the process. Ann McDermott, associate executive director, will fill in as the interim executive director with my support.

### COVID-19 Update

Positive Cases as of June 16, 2022:

RL Residents: 1

AL/Diven House Residents: 1

HCC/Nursing Residents: 0

Team Members: 1

Carroll County's transmission level remains high and the positivity rate in Carroll County remains over 10%. All residents **must continue wearing masks** in all common areas and hallways.

### COVID-19 Guidelines

- Independent Living Visitors (Change)  
Visitors do not need to be screened. If five or more independent living residents test positive, visitor screening will likely resume.

- **Delivery Service and Other Vendors (Change)**  
Delivery service vendors (e.g. medication, grocery and floral delivery services) of independent living residents, do not need to be screened. All other vendors (e.g. home health, repair services and construction) must be screened. All vendors must wear masks in common areas and hallways.
- **Dining Venues (No change)**  
Visitors eating in our dining venues need to be screen and provide proof of vaccination.
- **Health Care Center and Diven House Visitors (No change)**  
Visitors must be screened and wear a mask during their visit.
- **Krug Chapel Events (No change)**  
Independent living residents who enter through the 300 St. Luke Circle lobby to attend a Krug Chapel event must be screened. Independent living residents who enter through the chapel parking lot do not need to be screened unless they intend to walk through the Health Care Center or Diven House afterward.

## **201 Renovations**

Renovations to the first-floor common areas and apartments will start the week of June 20. All first-floor residents have been moved to their temporary apartments. Renovations are anticipated to take up to 90 days for full completion.

## **Pal Care: Resident Response Update System**

Pal Care will be onsite the week of June 20 to install the 74 access points that will enhance coverage inside the buildings and the perimeter sidewalks.
